RESOLUTION NO. 2026-80

A RESOLUTION OF THE ALBANY CITY COUNCIL APPROVING THE AMENDED BENEFITS BOOKLET FOR MANAGEMENT/CONFIDENTIAL EMPLOYEES

WHEREAS, on April 18, 2022, the City Council adopted Resolution No. 2022-36, the Updated Benefits Booklet for Management/Confidential Employees; and

WHEREAS, the Management/Confidential Employees Benefits Booklet details the benefits for all management and confidential employees of the City of Albany; and

WHEREAS, components of the Benefits Booklet require an update to clearly state exiting benefits that have been previously approved by City Council, and/or to reflect current City practice and State laws; and

WHEREAS, Educational Incentive Pay will be available to all employees who possess a master's degree and increase to four percent (4%) to encourage professional development; and

WHEREAS, Longevity Pay is a component of the Benefits Booklet, now defined with explicit language in accordance with CalPERS regulations to ensure these benefits are properly recognized as reportable compensation for retirement purposes; and

WHEREAS, executive management employees will receive a longevity incentive equal to ten percent (10%) of their base salary upon completing 10 years of service with the City, aligning the incentive closely with the longevity pay provided to the public safety chief positions.

NOW, THEREFORE, BE IT RESOLVED, that the Albany City Council hereby approves the amended Management/Confidential Employees Benefits Booklet contained in Exhibit A effective October 26, 2026 and by reference made part of this Resolution.

CITY OF ALBANY
MANAGEMENT AND CONFIDENTIAL EMPLOYEES BENEFITS BOOKLET

POSITIONS COVERED

This booklet summarizes the benefits available for all management and confidential employees of the City of Albany ("City"). Executive employees include the City Manager, Assistant City Manager, Fire Chief, Police Chief, and Department Heads. Management employees include Department Managers and Supervisors. Professional and Confidential employees, are those designated by the City Manager or their designee. For the complete list of classifications by group, please see Appendix A.

MEDICAL INSURANCE

Minimum Employer Contribution

The City shall provide medical insurance through the Public Employee's Medical and Hospital Care Act (PEMHCA). Under PEMHCA, the City is required pay a Minimum Employer Contribution (MEC) for all eligible active employees enrolled in the plan. The MEC is determined by CalPERS and is typically updated each calendar year. For the 2022 plan year, the MEC is $149.00/month, per eligible enrolled employee.

Flexible Benefits Plan

In addition to the MEC, the City shall contribute up to the below-listed amount per month toward the cost of a Medical plan through PEMHCA:

Employee only	Kaiser Bay Area single rate
Employee plus one	Kaiser Bay Area two-party rate
Employee plus two or more	Kaiser Bay Area family (2+) rate

The City's contribution includes the MEC listed above and will cover up to the entire premium for the Kaiser Bay Area plan or can be applied toward another health plan offered through PEMHCA.

Regular part-time employees shall receive a pro-rated health premium contribution depending upon their designated hours of work, with the remaining premium to be deducted from the second payroll check of the month for the following month's coverage.

ALTERNATE BENEFIT IN LIEU OF MEDICAL INSURANCE

An employee eligible for Medical who opts to waive participation because the employee has health plan coverage as a result of being an eligible dependent can waive their participation in the City's medical plan and elect the City's alternate benefit. To participate in this program, the employee shall sign a waiver, provided by the City, of health plan coverage and shall provide proof of health plan coverage for him/herself which shall be confirmed annually before January 1 of each year. Proof of other coverage must show that the employee and all individuals in the employee's expected tax return have (or will have) minimum essential coverage.

Employees who elect the alternate benefit shall receive elective paid leave as follows:

- Each month, the employee will be credited with the number of hours of elective paid leave equivalent to the single rate for the Kaiser Bay Area PEMHCA plan rounded to the nearest dollar;

  - For example: If the Kaiser Bay Area PEMHCA single party rate is $750 and the employee's hourly rate is $25/hour, the employee will be credited with 30 hours per month of elective paid leave.
- Elective paid leave may be used as normal discretionary leave – however, all other discretionary leave (i.e., vacation and compensatory time off) must be used first;
- All accrued but unused elective paid leave will be paid out in the calendar year in which it is earned:
  - Each quarter, the City will cash out all accrued but unused elective paid leave at the rate at which it was earned (in the example above, payout would be at $25/hour). Cash Outs will be processed the last payroll in March, June, September, and December.
  - Any accrued but unused elective paid leave remaining at the end of the calendar year will be paid out at the rate it was earned in the last pay period of the calendar year.

DENTAL PLAN

The City shall contribute 100% of the dental insurance premium for eligible full-time employees and their eligible dependents. Regular part-time employees – employees working a minimum of 1,000 hours per fiscal year but working less than full-time – shall receive a pro- rated dental premium contribution depending on their designated hours of work, with the remaining premium to be deducted from the second payroll check of the month for the following month's coverage.

SUPPLEMENTAL ORTHODONTIA REIMBURSEMENT PLAN

The City will reserve up to $10,000.00 each fiscal year to provide reimbursement for employees' receipted costs for family orthodontia expenses over the dental payment limit of $1,500.00. Eligible employees can be reimbursed up to $1,000.00 per covered individual per lifetime for orthodontia upon proof of expense and limit reached on primary and second insurance. Reimbursement will be at the same percentage rate as the dental coverage (currently 60%). The orthodontia reserve account will be on a first come first serve basis. If funds are unavailable in one fiscal year, expenses may be submitted in the next fiscal year.

DEFERRED COMPENSATION 457 RETIREMENT SAVINGS PROGRAM (OPTIONAL)

The City offers a deferred compensation program that meets the requirements of the Internal Revenue Service (IRS) Code Section 457. This program is currently administered by Mission Square Retirement Corporation, which offers a variety of investment vehicles for deferred funds, as well as retirement planning assistance. All regular employees are eligible to defer up to the IRS annual deferral limit each year through this program. (Employees age 50 or older may have a higher deferral limit.) Deferred funds are not taxable until withdrawn from the deferred compensation program.

Effective July 1, 2016, employees hired or promoted to a Management/Confidential position on or before December 31, 2016 receive a City contribution to their deferred compensation account equal to 4% of their salary

SOCIAL SECURITY

The City participates in Social Security for all non-safety employees. The employee cost is currently 6.25% of earnings.

HOLIDAYS

All employees will be entitled eight (8) hours of holiday pay in observance of the following 14 holidays each calendar year:

Day/Date	Holiday Name
January 1	New Year's Day
Third Monday in January	Martin Luther King Jr.'s Birthday
Third Monday in February	Presidents' Day
Last Monday in May	Memorial Day
June 19	Juneteenth
July 4	Independence Day
First Monday in September	Labor Day
November 11	Veterans' Day
Fourth Thursday in November	Thanksgiving
day after Thanksgiving Day	Thanksgiving part two
December 25	Christmas

Four (4) floating holidays to be taken at the mutual convenience of the City and the employee.

Should the State and Federal governments change the date of which any of the above holidays are to be celebrated, the City schedule would be modified accordingly. However, if only one of these entities makes a change, no modification in the schedule will result.

Should any holiday fall on a Sunday, the Monday following will be observed as the holiday. Should any holiday fall on a Saturday, the Friday preceding will be observed as the holiday. In the case of an employee having days off other than Saturday and Sunday, said employee will be afforded one additional day off for each holiday that falls on their regular day off. Time for taking such holiday will be scheduled at the discretion of the City Manager or designee.

Floating holidays must be taken during the calendar year in which earned or will be forfeited.

Regular part-time employees will receive a pro-rated basis depending upon their designated hours of work.

VACATION LEAVE

The purpose of annual vacation is to enable each eligible employee to return to their work physically and mentally refreshed. The time at which an employee shall take their vacation during a calendar year shall be determined with due regard to the wishes of the employee, the date of application for a specific vacation period, the seniority of employees, both in the department and in the City, and with particular regard for the needs of the department. Regular part-time employees shall accrue vacation in the amount proportionate to the ratio of scheduled hours of work per week to the standard workweek.

The vacation accrual rate for regular, full-time employee shall be:

Years of Service	Accrual Rate
0 through 3	Accrue 3.38 hours per pay period. (11 days)
4 through 8	Accrue 4.92 hours per pay period. (16 days)
9 through 13	Accrue 5.54 hours per pay period. (18 days)
14 through 18	Accrue 6.15 hours per pay period. (20 days)
19 and thereafter	Accrue 6.77 hours per pay period. (22 days)

Cash Option

If a management employee received a satisfactory performance evaluation during the last rating period, in lieu of taking paid time off, the employee may submit a *Vacation Leave Cash Option* form to payroll that has been approved and signed by their immediate supervisor to cash out up to an additional 80 hours of vacation leave, so long as after cashing out the employee has a minimum of 80 hours remaining in his or her accrual bank. Employees may choose to cash out up to two times per calendar year.

Vacation/Miscellaneous Requirements

The City Manager or designee is allowed to change vacation leave to sick leave in the event an employee, while on vacation, becomes ill to the point the City Manager or designee is convinced such employee would not normally be capable of performing their work duties were he/she at work.

When the total vacation ends with a fraction of a working day, the vacation shall be computed to the nearest one-half hour.

The vacation privileges granted by this section shall be confined to regular salaried employees who have worked for the City during the year for normal hours of work for employees. In computing time, no deductions shall be made for holidays, paid vacation, normal sick leave, and industrial disability leave. In computing vacation leave, no accumulation shall be made for leaves of absence without pay.

If an employee is unable to take their scheduled annual vacation because of circumstances within the department or for personal reasons, such annual vacation may be allowed at a later date when convenient to the department. This will allow consideration by the City of a request from an employee to carry over vacation solely for the convenience of the employee to facilitate a longer vacation period in a subsequent year, providing the City Manager or designee agrees for such a vacation carry over.

The maximum allowable vacation accrual will be 300 hours as of the end of the pay period that includes December 31st each year. Employees may accrue more than 300 hours during the calendar year provided that the employee's accrual is not more than 300 hours by the end of the pay period that includes December 31st each year. Should an employee have an accrual in excess of 300 hours at that time, such employee will not accrue any further vacation until their accrual is at or below 300 hours.

An employee nearing or over the vacation accrual cap may request of the City Manager or designee accrual beyond the cap. Each case will be considered individually, and the City Manager or designee may authorize accrual beyond the cap.

ADMINISTRATIVE LEAVE

FLSA-Exempt employees shall receive Administrative Leave at the beginning of each calendar year, based on the following vesting schedule:

- Employees with less than 10 years of consecutive public agency employment experience – 80 hours
- Employees with 10 - 14 years of consecutive public agency employment experience – 90 hours
- Employees with 15+ years of consecutive public agency employment experience – 100 hours

"Public agency employment experience" in this section is defined as full-time employment with any public agency.

In effect, the City has a "use it or lost it" approach to Administrative Leave. The leave must be used during the calendar year in which it was earned or will be forfeited.

A newly hired or newly promoted management employee will receive a proportional amount of Administrative Leave. Said amount is determined by taking the number of full pay periods remaining in the calendar year divided by the number of total pay periods for that calendar year and multiplying that ratio to the total number of Administrative Leave hours available. The result is rounded to the nearest hour and credited to the employee's leave bank.

"Calendar year" means January 1 through December 31 with modifications as related to the beginning of the first pay period of the year. For example, December 27, 2021 was the beginning of the "calendar year" for payroll year 2022.

Administrative Leave is not a vested benefit. Except as expressly described under Cash Option, below, there is no payout of Administrative Leave.

Use of Administrative Leave

The use of Administrative Leave requires the prior approval of the employee's immediate supervisor. Administrative Leave may be used during any pay period of the calendar year.

Cash Option

A maximum of 40 hours Administrative Leave may be taken as additional salary in lieu of paid time off. An employee who wishes to exercise the Cash Option must have been employed by the City in a management position a minimum of three months and must submit an *Administrative Leave Cash Option* form to payroll that has been approved and signed by their immediate supervisor.

Additionally, if a management employee had a satisfactory performance evaluation during the last rating period, in lieu of taking paid time off, the employee may submit an *Administrative Leave Cash Option* form to payroll that has been approved and signed by their immediate supervisor to cash out an additional:

Years of Service Between Administrative Leave	
0 to 4 years of service	no additional pay out
5 to 9 years of service	may cash out an additional 20 hours
10 or more years of service	may cash out an additional 40 hours

"Years of service" in this section is defined as with the City of Albany. A management employee moves their eligibility to the next tier, for example, following their four or nine-year anniversary and entering into their fifth or tenth year of City of Albany.

For employees with increased Administrative Leave due to public agency experience, an additional pay out equal to the leave accrual over 80 hours may be taken. For example, an employee with 10-14 years of public agency experience and accrues 90 hours of Administrative Leave may cash out an additional 10 hours.

Payroll will process the cash option request with the next available payroll cycle. Only two Cash Option requests per calendar year will be honored.

SICK LEAVE

Regular employees who work at least 30 days per year shall be entitled to accrue sick leave in the amount of 8 hours for each calendar month of employment with the City, accumulative to 1,440 hours.

The supervisor or the City Manager or designee shall have the right to investigate and determine the extent of an employee's illness who is claiming benefits under this section.

In computing sick leave, no accumulation shall be made for leaves of absence without pay. Regular part-time employees shall be eligible to accrue sick leave in the same proportion as their scheduled and worked hours per week relate to the standard workweek.

Use of Sick Leave

An employee may, at the discretion of their supervisor or City Manager or designee, use Sick Leave for illness, injury, medical appointments, or childbirth in their immediate household. Immediate household is defined as an employee's parent, spouse, registered domestic partner, child (including adopted, foster or step-child), parent-in-law, sister, brother, sister-in-law, brother-in-law, grandparents, or anyone who has acted in the capacity of an immediate family member. Such usage of Sick Leave shall be within the amounts allowed to be accumulated under this Section. This is not considered additional days off.

Use of Vacation

Vacation leave may be used toward an employee's absence from work due to sickness, accident, or disability if the employee does not have available accrued sick leave.

Sick Leave Buyback

Upon retirement from regular City service, as defined by CalPERS, an employee shall be entitled to compensation for one-quarter of the accumulated Sick Leave on the books at the time of such retirement, and at their regular salary on said retirement date. The remaining hours will be reported to PERS for additional service credit. This calculation is as follows: remaining sick leave hours divided by 8 equals number of days reported.

BEREAVEMENT LEAVE

The City Manager or designee may grant leave of absence, with pay, to employees as follows:

(1) In the event of the death of a member of the immediate family, a leave not to exceed 7 calendar days, for employees. Immediate family means spouse, registered domestic partner, child (including adopted, foster or step child), parent, parent-in-law, sister, brother, sister-in-law, brother-in-law, grandparents, or anyone who has acted in the capacity of an immediate family member.

(2) In special cases, bereavement leave may be granted to attend funeral and memorial services of persons not included with the immediate family.

JURY DUTY

An employee called for service as a juror, or as a witness under a subpoena in a criminal case, is hereby granted a leave for that period required by the court. During such period, the employee shall be entitled to normal pay; however, they shall remit to the City the jury or witness fee (excluding mileage allowance) received for jury or witness duty served while on such full pay status with the City.

MILITARY LEAVE

Military leave will be granted in accordance with minimum requirements of the statutes of the State of California and applicable federal laws.

DISABILITY BENEFITS

Disability Leave Benefits

Employees are covered by Workers' Compensation benefits pursuant to the statutes of the State of California. Over and above the Workers' Compensation statutory benefits, the City will pay benefits on the first day of work

loss due to an on-the-job injury and will provide Workers' Compensation benefits for the first year up to two-thirds of the monthly salary per month for on-the-job injuries. After the first year (defined as calendar year), benefits will be paid pursuant to the statutes of the State of California.

Long-Term Disability Plan

The City provides a long-term disability plan for management and confidential employees. This plan provides for two-thirds of the monthly salary, to a maximum of $7,500.00 per month after a 90-day waiting period, for disabilities occurring on and off the job. The long-term disability benefit will be integrated at the employees' option with sick Leave and Vacation leave, if any.

State Disability Insurance

Management and confidential employees do not participate in the State of California's State Disability Insurance (SDI) program.

Life Insurance

The City shall provide, at its expense, a term life insurance and term accidental death and dismemberment insurance policy for each employee at the coverage amount of one time the employee's annual salary up to a maximum coverage amount of $50,000.

EDUCATIONAL REIMBURSEMENT

The City will provide reimbursement for employees' receipted costs for tuition, fees and books incurred by attending educational programs/classes that are directly related to the present or known future needs of the City. Reimbursement will be limited to a maximum of $2,000.00 per employee per fiscal year, subject to approval by the City Manager. In order to be reimbursed for such costs, the employee should submit a reimbursement request form, prior to beginning the program/class, to the employee's Department Head for approval (along with the City Manager's approval). The employee must then present a passing grade of "C" or better (or a "pass" in a pass/fail program, or a certificate of completion), along with receipts for costs, in order to be reimbursed.

PROFESSIONAL ASSOCIATION DUES

The City pays for membership dues in applicable professional associations, subject to approval of the City Manager. Employees who successfully complete the Alameda County Leadership Academy are eligible for an annual lump-sum payment of $300.00. The payment shall be issued the first pay period in December each calendar year.

UNIFORM ALLOWANCE

The Fire Chief shall receive a uniform allowance of thirty-eight dollars and forty-six cents ($38.46) per pay period.

The Police Chief shall receive a uniform allowance of forty-six dollars and fifteen cents ($46.15) per pay period.

As long as it is permitted under the Government Code, the uniform allowance shall be reported to CalPERS as Special Compensation. "New Members" as defined by PEPRA, are ineligible to have the value of the Uniform Allowance reported to CalPERS.

INCENTIVE PAY

Employees are eligible for incentive pay as follows:

Management Incentive Pay

Executive Management employees: City Manager, Assistant City Manager, and Department Heads, including the Fire Chief and Police Chief, shall receive a 2.5% of base pay management incentive in recognition of the unique nature and scope of their assigned responsibilities. This compensation shall be reported periodically as earned and is for duties performed during normal work hours.

Educational Incentive Pay

Employees who possess a Master's Degree shall receive a 4.0% of base pay educational incentive. The City shall maintain a program to evaluate and approve acceptable courses, certificates, and degrees, ensuring they enhance the employee's ability to perform their job duties. This compensation will be reported as a percentage of base pay and paid periodically as earned.

Longevity Pay

Effective October 26, 2026, Executive Management employees: City Manager, Assistant City Manager, Department Heads: shall receive a longevity incentive equal to ten percent (10%) of base salary upon completing 10 continuous years of service with the City of Albany, Longevity pay shall be paid in each paycheck, as earned, beginning in the first full pay period immediately following an eligible employee's 10th anniversary date.

Effective April 18, 2022, the Fire Chief and the Police Chief shall receive a longevity incentive equal to five percent (5%) of base pay upon completing five (5) years of service. Employees shall receive an additional five percent (5%) of their base salary upon completing ten (10) years of service, resulting in a total longevity pay of ten percent (10%) of their base salary. Longevity pay shall be paid in each paycheck, as earned, beginning in the first full pay period immediately following an eligible employee's 5th and 10th anniversary date.

Effective October 26, 2026, Management/Professional/Confidential employees: Shall receive a longevity incentive equal to five percent (5%) of base salary upon completing 10 continuous years of service with the City of Albany, Longevity pay shall be paid in each paycheck, as earned, beginning in the first full pay period immediately following an eligible employee's 10th anniversary date.

To the extent that longevity pay qualifies as "longevity pay" special compensation under Title 2 California Code of Regulations sections 571 and 571.1 of the Public Employees' Retirement Law, it shall be reported to CalPERS as additional compensation for use in retirement calculations. The Parties acknowledge that CalPERS makes all final determinations as to the pensionability of any premium or special pay.

RETIREE MEDICAL

Upon retirement from the City of Albany, the City shall contribute the required MEC toward the cost of retiree medical insurance for those retirees who choose to continue coverage through the City's contract with PEMHCA. This provision is not a vested benefit, rather a requirement under PEMHCA. Should the City terminate its contract with PEMHCA, this provision shall terminate.

SEPARABILITY AND SAVINGS

If any provision of this Benefits Booklet is held invalid by a court of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

TERM AND EFFECT

This Benefits Booklet shall be effective the 1st of the month following approval by Council, except for those provisions which have been assigned other effective dates (if applicable). All other terms and conditions specified in this Benefits Booklet shall remain in effect until replaced by a successor Benefits Booklet.
