

FOR MEMBER OF THE CITY COUNCIL

Robin D. López

Occupation: Incumbent/Ecologist

I have proudly served Albany as a former Mayor, Vice Mayor and current councilmember addressing collective goals around equity, opportunity, and empowerment. I made right on my promise when elected as the 1st ever Latino, to bring in a new era of leadership that would move Albany forward intentionally and responsibly. I have a proven track record of empowering Albany to actualize its potential, having delivered results while Mayor, that include but aren't limited to achieving a balanced budget, divesting from fossil fuels, and supporting the revival of Dinner With Albany for our community. I am committed to Albany's future, sensible housing, enhanced access to basic needs, advancing initiatives for equitable and accessible infrastructure, and supporting evidence-based policy that is culturally and socially relevant. As a father to young children in Albany, the future of our city is personal.

I am proud to be endorsed by Albany City Councilmembers and past Mayors John Miki & Preston Jordan, Albany School Board President Josh Mahoney, Albany School Board Trustees Sadia Khan & Becky Hopwood, State Senator Jesse Arreguín, Berkeley Mayor Adena Ishii, Contra Costa County Supervisor John Gioia and many others. Visit Albanyforward.org.

Friends, rank Robin López #1 on your ballot!
